A Comprehensive Training on Addiction

As the addiction and overdose crisis reaches troubling milestones – 100,000 overdose fatalities last year alone – all leaders and key stakeholders in the community are needed to address the problem.

The Responding to Addiction three-hour training is designed to increase knowledge about addiction and develop skills and strategies to help your community.

What Participants Learn

- The Science of Addiction
- The Signs and Symptoms of Addiction
- Evidence-Based Treatment Options
- Medications to Treat Addiction
- Engagement Strategies
